Approved For Release 2004/11/30 : CIA-RDP78S01932A000100240091-2

In the Phnom Penh region, the government advance north on Route 5 has forced the Communists to divert part of their force which has been besieging the government base at Lovek. Government forces are expanding their perimeter around the base. Communist rocket and recoilless rifle fire on the capital's outskirts in the past few days has caused little damage.
